PART-TIME FACULTY EVALUATION FORM

Faculty Member: Stephanie Derrick

Ms. Derrick has contributed greatly to the vocal program here at TSU. The TSU Opera Theater under her direction presented an abbreviated performance of the of *Ain't Misbehavin* featuring the music of Thomas "Fats" Waller. She worked diligently often in spite of overwhelming forces maintaining her composure and professionalism.

Ms. Derrick, along with Della Bustamante, has worked hard in forming a Summer Vocal Camp for our department. She is leaving us this year and will be missed greatly. Ms. Derrick proved to be a valuable asset to our program. I am sorry to see her go, for my own selfish reasons. However, I have no doubt that she will be successful in her career for she has proven that she is an stage director and mezzo soprano of the highest rank.
